Explanatory Memorandum

It was observed by the Committee on Subordinate Legislation (Fifth Lok Sabha) in its second report that the recruitment rules for the post of Engineering Assistant, Mast Technician and Technician did not carry the revised pay scales of their posts as recommended by the Fourth Central Pay Commission. In actual practice the incumbents working in these posts are drawing the revised pay scales with effect from 1st January, 1986. In order to effect this change, the revised pay scales were incorporated in the All India Radio (Group C Posts) Recruitment (Amendment) Rules, 1991. However, inadvertently, the same were notified to come into force on the date of publication in the Official Gazette. As the said notification did not depict the actual facts, so it has been felt to rectify the error by issuing this amendment.
