
Objective: The participants will be able to carry out repair and annual maintenance of the ACs (split and window) at the stations after attending this training programme.

Nominations are invited for the training Programme as under:-

1. Title of the training : Air Conditioning System (Window and Split Maintenance techniques Type)
2. Session no : 193674
3. Venue of the training : NABM Delhi
4. Cadre to be nominated from : Sr. Tech./Tech
5. Offices/organization : AIR/DD
6. Schedule of training : 25.03.2019 to 29.03.2019
7. Last date for the receipt of nominations: 20th February, 2019

The Training Programme will include:
- Assembling and de-assembling of AC Units (Split and Window both)
- Leakage detection and Capillary Blockage detection through fault simulation
- Flaring, Swaging and Brazing by individual participants
- Fault detection through indications on PCB (PCB Detailed Explanation and by-passing)
- Pumping down of gas (demonstration) in A/C units (Split and Window)
- Compressor Testing
- After assembling charging & leakage finding.
- Demonstration & hands on cleaning of split and Window ACs and Basic Servicing (What are the cares to be taken?)

The above course is completely practical oriented, therefore all the Engg. Heads should ensure that only those staff are nominated for this training programme who are actually doing the maintenance of Air conditioning system at the station and are capable of carrying out the annual maintenance of the AC systems after attending this course. All the participants are also advised to bring along an extra dress that can be used during hands on exercises.

It is requested to furnish the nomination by the stipulated date through email trainingcell@stitairdd.org in the proforma.
