No. D-25011/02/2021-GA /55

New Delhi, Dated the 31<sup>st</sup> March, 2023

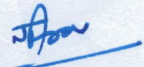

**Subject:- Change in Intercom Numbers due to replacement of old EPBAX/ Trunk line in DG:AIR-reg.**

This is to inform that the old / obsolete telephone exchange of DG:AIR has been replaced by new EPABAX telephone exchange. Also earlier MTNL analogue trunk line ( No. "23421006"; 26 parallel lines) will be discontinued shortly as a new MTNL ISDN PRI (Digital) line no. "23422001" (30 parallel lines) has been installed recently.

2. In view of the above, following changes may be noted for intercom and direct calling in AIR Directorate: -

- i. Officials in Directorate while using intercom, may prefix digit "6" with the room number instead of digit "2" (e.g. Dial 6201 for contacting Room No. 201 instead of 2201). Intercom nos. having "1" prefix would remain unchanged as these are inter-connected through another Panasonic Digital EPBAX in use presently. The Official having KTX instrument with intercom no. starting with digit "1" may therefore request GA section to install a new Telephone instrument for interconnecting with the new EPBAX system. Direct line connection / Mobile nos. can be accessed by dialing "0". **An updated list of Officers and their Telephone nos. is also being circulated for ready reference.** Correction required in this list may be informed to GA Section of DG:AIR.
- ii. Persons from outside are now required to dial "2342-2001" for contacting any officer/section of this directorate through EPBAX instead of "2342-1006" for the operator to connect the desired intercom number. If the room no. of the official sitting on 1<sup>st</sup> / 2<sup>nd</sup> / 3<sup>rd</sup> floor is known, then the official in that room can directly be contacted without operator interface by dialing "23466\_ \_ \_" in which the last three digits are Room No. of that official. However, this facility is not available for rooms on other floors due to limitations of DID nos. available in the current plan of MTNL.

3. DDA (GA) may be contacted on 011-23421517/6225 in case of any query or doubt in this regard.
