File No. D-13023/15/2016/GA-1

Dated : 20 .08.2020

CIRCULAR

It has been observed that there is unnecessary car honking and loud remote interlock alarm ringing in vehicles (official and personal) parked in PB Sectt premises causing unwarranted distraction.

2. It is therefore requested that use of car horns should be avoided inside the parking area. In addition to avoid accidental ringing of car lock alarms, manual locking of cars may be done.

This issue with the approval of competent authority.
