NOTICE

Subject: Open House Session on issues related to the Engineering Cadre in Prasar Bharati

In-the light of various issues concerning the stagnation in the Engineering Cadre and grievances arising thereof, it is decided to hold an open house discussion by the senior management of Prasar Bharati.

2. The open house discussion session has been planned to enumerate the various grievances and to explore possible solutions to the same. The discussions will be held in a free & fair environment without any barriers of hierarchical levels.

3. Accordingly, Engineering officers (individually or in a group of 3-4) are invited to present their views in the scheduled open house session. 7-8 groups/ individuals will be facilitated to present the problem statement and the possible practical solutions in front of the audience including the Prasar Bharati senior functionaries and other Prasar Bharati Parivar members. For this you are requested to send your nominations for presentation carrying following information to email **openhousesessionppcpb@gmail.com**:

- Group or individual,
- Name(s), Designation(s) and Brief (not more than 150 words for each person) of individual or all individuals of the Group,
- Topic(s) covered for the presentation/ discussions along with Synopsis

4. The nominations should reach on the above mentioned email ID latest by 6 pm on 12th October, 2018. The nominations received will be reviewed & scrutinized by a group of officers based on the information as above and 7-8 Groups/ Individuals will be invited to make presentation during the open house session.

5. Attendees including presenters will be from Delhi. However, officials from outside Delhi should try to form Group to prepare their presentation which can be presented by the Group members in Delhi. Technology means may be used as needed so voices and opinions from

outside Delhi may also be heard. Specific arrangements needed for the same may be communicated in advance.

6. It is requested that the presentation should be very precise and to the point without spending much time on criticizing system or individuals or historical developments. It is expected to hold discussions in a positive environment. The objective is to find practical and workable solutions that address the common greater good of the Engineering cadre. Individuals/ Groups will be given about 10-15 minutes time each to present their views. The possible workable solutions as an outcome of the open house sessions will be further worked upon by Prasar Bharati for appropriate action and decisions.

7. Date , time and venue of the Open House Session will be intimated in due course.
