No.PB-7(14)(1)/2019-20/FIN/GST-GSP/3481-3515

Dated 22.01.2020

Sub: Implementation of GSP-cum-ASP Application (BOLTON) for GST compliances –reg.

Ref: This office letter No.PB-7(14)(1)/2019-20/FIN/GST-GSP/3105-35 dated 27.09.2019 and 03.01.2020.

Please refer to this office letter under reference vide which it was instructed to implement GSP-cum-ASP application (BOLTON) offered by M/s Deloitte Touche Tohmastu India LLP for all GST purposes in respect of all State registrations of Prasar Bharati.

It has, however, been observed that many DDOs of AIR and DD have not yet come on board on BOLTON application. It may be mentioned here that the implementation of BOLTON Application will ease the work of all DDOs and SNOs in ensuring GST compliances and will also result into efficiency in the entire workflow followed for filing GST returns.

In view of the above, it is reiterated that it is mandatory for all SNOs to file their all GST returns for the month of January through BOLTON application only. This entails that all DDOs of AIR & Doordarshan must submit all inward and outward data in requisite format through BOLTON application only. All SNOs are therefore requested to ensure that all their DDOs have come on board and render necessary help to DDOs, if necessary. In case of any assistance required, SNOs and DDOs may contact Deloitte or GST cells of both the Directorates.

Both the Directorates are requested to circulate this among all SNOs and DDOs for strict compliance.

This issues with the approval of Competent Authority.
