OFFICE MEMORANDUM No. 3/2020/PBB

Subject: Strict compliance of direction of the Board related to Tender processes

In the 163rd meeting of the Board held on 15.10.2020, the Board, while discussing the extension/procurement proposals has reiterated its direction to ensure that the tendency to seek ex-post facto approval for extension of contracts must be strictly discouraged and as directed earlier, tender processes must be undertaken timely and completely within the valid term of the live contract.

Earlier, the Board in its 147th meeting held on 15.02.2018 had directed that the terms of various contracts would be monitored by all establishments and proposals requiring Board approval would be placed well in advance before the date of expiry in each case.

The above direction of the Board is for strict compliance by all concerned.

This issues with the approval of the CEO.
