[एफ. एम. डिजाइन अनुभाग /FM Design Section]

File No. 5kW Mobile Transmitters/BIND-9/4/2020-D(TD/FM)

Dated 04.08.2020

Subject: Specifications for Supply, design & integration of 5 kW Digital Compatible (HD & DRM+) VHF FM Solid-state MOSFET technology based broadcast transmitter in (1+1) configuration with automatic changeover unit, Power Supply System and associated equipments/items in a container along with Supply & Design of Foldable pneumatic tower with trolley, VHF FM Antenna system for use anywhere in India as mobile station/transmitter set up-**regarding getting Budgetary quote & Industry feedback**

DG: AIR is planning to procure Supply, design & integration of 5 kW Digital Compatible (HD & DRM+) VHF FM Solid-state MOSFET technology based broadcast transmitter in (1+1) configuration with automatic changeover unit, Power Supply System and associated equipments/items in a container along with Supply & Design of Foldable pneumatic tower with trolley, VHF FM Antenna system for use anywhere in India as mobile station/transmitter set up, on open tender basis.

To get an estimated cost, the Prospective bidders from India are requested to give their budgetary quote as well as industry feedback for Supply, design & integration of 5 kW Digital Compatible (HD & DRM+) VHF FM Solid-state MOSFET technology based broadcast transmitter in (1+1) configuration with automatic changeover unit, Power Supply System and associated equipments/items in a container along with Supply & Design of Foldable pneumatic tower with trolley, VHF FM Antenna system for use anywhere in India as mobile station/transmitter set up. In this regard, draft specification already uploaded on PB web-portal.

The last date for submission of budgetary quote & industry feedback has been extended up to 17.08.2020.

The Prospective bidders from India are requested to send the budgetary quote as well as industry feedback to reach this Directorate on or before 17.08.2020 by 1700 Hrs. at the following e-mail addresses.
