Sub: Being GST Compliant and Availing of Input Tax Credit

It has been noticed that despite issuing clear instructions vide GST Circular No.2 dated 12.07.2017 and GST Circular No. 9 dated 9.02.2018, many stations of AIR & Doordarshan are not availing ITC on telephone bills, internet bills, hiring of manpower, air tickets, bus tickets, train tickets and hotel bills on official tour. This has resulted into huge financial loss to the organisation which is already struggling with forever increasing expenditure and reducing revenue due to various factors.

It is the responsibility of all Heads of Offices, DDOs and other Administrative Officers that we do not only comply with all GST requirements including of timely filing of returns and discharge of liability but also avail ITC on all eligible input services. All heads of offices are, therefore, requested to ensure that their offices are fully GST compliant both in terms of discharge of GST liability including filing returns in time and also timely availing of ITC. Necessary directions on this issue may please be issued to all concerned for compliance.
