Sub: Effective implementation of New Pension Scheme- Reg.

PFRDA conducted a meeting 18.06.2019 wherein various issues of the monthly Review Report were discussed. It emerged out of the meeting that under NPS framework there are strict penalty provisions for any negligence which may cause the monetary loss to the NPS subscribers. The monthly review report along with the DDO wise details of NPS subscribers which need corrective action are enclosed as Annexure 'A'. In order to implement National Pension Scheme (NPS) effectively the following major issues have been noticed which require immediate corrective actions by concerned CDDO/PAOs.

- 1. Delay in registration of all eligible subscribers** – As per the review report for the month of April 2019, there are 20 new PRANs generated with period of 0-3 months between date of joining and PRAN generation. Registration of eligible employees under NPS beyond a reasonable timeframe impacts their accumulations as well as the pension receivable at the time of their retirement. **All efforts, in this regard, should be made to ensure that the NPS registration of the new employee is done at the time of joining itself.**
- 2. Non-IRA PRANs:** Non IRA PRANs are those wherein no contribution has been made for last 10 months. In our case, there are 4 Non IRA PRANs (Deactive) with Balances. Such cases need to be reviewed and if required, the corrective action may be taken to settle the cases.
- 3. PRANs with NIL credits** – There are 29 PRANs which have not received any credit since inception. Out of this, there are 14 PRANs which were generated prior to April, 2014 i.e. no contribution for more than 5 years.
- 4. PRAN without nominations and contact details** – There are 141 PRANs with no nomination details. Also, availability of proper contact details in CRA system play vital role under NPS. There are 37 PRANs without contact details. Due to absence of contact details, important communications regarding NPS cannot be disseminated in time.
- 5. Low subscriber coverage** – An analysis of the data on transfer of NPS contributions in last 12 months as on May 7, 2019 reveals that none of the past months have achieved 100% subscriber coverage. This happens mainly due to not uploading of the Subscriber Contribution File (SCF) by the DDOs.
- 6. Non Uploading/Delaying in upload of NPS contribution** – As per the OM dated 02.09.2008, the DDOs should upload the Subscriber Contribution File and obtain the transaction I.D. by the 25th of each month and the NPS contributions should be credited to the account of the Trustee Bank by the DDO on the last working day of each month or on salary day. The total number of PAOs/CDDOs registered with NSDL is 440 as on 30.04.2019 out of these only 404 DDOs have uploaded SCF. It has also been noticed that all the CDDOs are not uploading the SCF regularly and as much as 28% PRANs were not credited with their NPS contribution by 7th of the next month.
- 7. Funds returned by Trustee Bank for the period May 2018 to Apr 2019** – Out of a total of 563 cases, funds in 31 cases amounting to Rs. 19.59 lakhs have been returned by Trustee Bank.

Since, the issues highlighted in para 5, 6 and 7 above have the financial implications, DDOs should be more cautious and ensure the timely and correct credit of the NPS contribution for all eligible NPS subscribers.

8. Pending Grievances – It has been observed that 06 grievances are pending as on 30.04.2019 under CGMS of CRA. In order to avoid the escalation of the cases to the NPS Trust, immediate necessary action is required to be taken by the respective DDOs.

9. Pending withdrawal cases for authorisation & Delay in settlement of claims for superannuated Subscribers – There are 4 partial withdrawal requests pending for authorisation for a month. Also, there are 10 cases with delay in settlement of claims for superannuation.

10. Non-initiation of online withdrawals even after superannuation- There are 04 cases where withdrawal requests have not been initiated even after superannuation.

11. No login on Dashboard of NSDL: Out of a total 528 registered PAOs, 414 PAOs never logged in to the NSDL dashboard. It may be noted that the information of all the above mentioned issues are available on the NSDL dashboard and regular review of the dashboard may become helpful in minimising the highlighted issues. Hence, DDOs should make a habit of logging into the NSDL dashboard regularly.

The above observations indicate that many of CDDOs/PAOs are still not following instructions issued from time to time. All CDDOs/PAOs are, therefore, once again directed to ensure that SCFs are uploaded within due date along with update of nominations and contact details in respect of all employees. Other issues mentioned above may also be addressed scrupulously.

All concerned PAOs/CDDOs/DDOs may contact CABERA helpdesk: 022-40904242 Extn. 3314/3315, E-mail at cabera@nsdl.co.in for any query or issue related to New Pension System.

In order to avoid any penalty that may be imposed under NPS framework, ADG (Admin), DD/AIR, are requested to look into the matter and ensure that appropriate immediate actions are taken by the DDOs and the discrepancies mentioned above may not be repeated in future.

Encls: As above.
