Sub.:- For Additional budget and fund under OE (NP) for procurement of Mobile &SIM and still camera.

Sir,

This is reference of the earlier letter of this office dated 29.12.17. It is again brought to your kind notice towards the reference to provide 02 mobiles with SIM CARD to social media team as instruments with in letter No DG-DD/IT & CSMU/2017 dated 01.09.2017 & letter F .No 317/2015 P1(PT.) Dtd 16.11.2017.This is brought to your kind notice that all efforts are made to provide all technical administrative & financial support to head of programme regarding this matter. But unfortunately, the balance of SBG under OE(NP) & OE(RNU) are not sufficient.

It is further brought to your kind notice that a mobile & a SIM card is also to be provided to SNO, GST Cell but could not provide due to lack of fund /SBG under OE(NP) & OE(RNU). . Meanwhile the work pertaining to the GST is increasing day by day i.e. scrutinizing the details received from DDOs, report send to GST Cell time to time, the report or ready reconers sent without delay when ever asked for from Directorate/CA/Local CA. However the office is thankful to provision of Re-imbursement of data charges of mobile i.e.Rs.500/-moth.

The pressure for requirement of Mobile is now reflecting in day to day routine administrative work. This office has no any option to motivate the work of GST or BATS and fulfill the requirement until additional amount release for said procurement

Hence you are kindly requested to provide an additional amt Rs.50.000/- for purchase of mobile (03 No.) & 03 SIM and 01 Still camera.

Yours faithfully,

Encl: a.a
