Subject : Advertisement and Publicity regarding new frequency assignment for three Earth Stations at DDK Patna, Bengaluru and Hyderabad - regarding

Ref. : New frequency plan issued by Satellite Design Wing of DG:DD

Consequent to issue of new frequency operational plan by Satellite Design Wing of this Directorate, regional services of DDK Patna, Bengaluru & Hyderabad is to be changed from their existing frequencies to new carrier frequencies on their existing transponders of GSAT-17 Satellite as per revised frequency assignment.

As this change will affect viewing of DD Bihar, DD Chandana and DD Yadagiri services throughout the country, therefore sufficient publicity is necessary before shifting of Services to new carrier frequencies.

Therefore, it is requested that sufficient publicity in all leading National newspapers (English & Hindi language) in the country and the scrolling of suitable captions on all the channels of DD Bouquet may please be arranged. A suggestive model caption / content of information is as below:

" ATTENTION : All MSOs, LCOs, DTH service providers and DD Kendras may please note that DD Bihar, DD Chandana and DD Yadagiri TV Channels presently available on GSAT - 17 Satellite (93.5 degree E) are going to be shifted to new frequencies on the same Satellite w. e. f. 00.00 hrs. on 28-12-2018 . To receive these channels from 28-12-2018 onward, please tune/adjust your receivers to following downlink parameters:

DD Service	Transponder on Satellite GSAT-17	D/L carrier frequency (MHz)	Polarization	FEC	Modulation	Symbol Rate (Mpsps)
