- B.** This office takes no responsibility for delay, loss or non-receipt of quotations/documents sent by post where as reserves the right to accept or reject any part of the tender without assigning any reasons.
- C.** Corrections if any must be attested. All rates shall be indicated both in words as well as in figures, where there is a difference between rates quoted in words and figures, rate quoted in words will prevail. **The firm has to submit the signed copy of the Terms and Conditions along with the quotation.** The submission is for the acceptance of the general terms and conditions without which the quote would be rejected.
- D.** Forward your quotation along with the authorization letter from the manufacture/ Authorized Dealer if applicable.
- E. RIGHT OF ACCEPTANCE:**  
This office reserves the right to reject the lowest tender or any or all the tenders without assigning any reason whatsoever.
- F. QUOTATIONS VALIDITY:**  
Quotation should be valid for a minimum period up to 31 December 2025.
- G. QUALIFYING BID:**  
The vendor may quote separate rates for accessories, but while awarding winner, total cost of the tender will be taken into consideration.  
**(i.e. L1 will be decided separately for separate cities).**

**H. GURANTEE TERMS:**

After award of contract, the contractor / supplier should provide Generator as & when required by this organization during the whole year. It is necessary to provide the Generator along with all required accessories at the given site near by their cities within given time on the given date. As the requirement is time bound, contractor / supplier should have to follow the instructions given by this office. Contractor / supplier should have to be guaranteed for working of Generators provided at the given site, if due to any reasons Generator fails to provide power supply at the given site, it is sole responsibility of the contractor / supplier & any extra cost should be borne by the contractor / supplier..

**I. Qualification Criteria**

1. Bidder should have experience of minimum three years in the field of supply of DG set 40 KVA / 63KVA silent on hiring basis. Details of experience must be enclosed.
2. The bidder should have valid GST / PAN number. It is required to mention GST/ PAN number and must enclose copy of the registration.

**J. PRICE & STATUTORY DUTIES:**

1. It should be mentioned specifically whether the price quoted includes all taxes and duties.
2. GST or other duties and levies where legally leviable and intended to be claimed should be distinctly and separately mentioned in the quotation. Where it is not done no claim for GST will be admitted at any later stage and no ground whatsoever.
3. GST registration No. and date of its validity should be mentioned.
4. This office will not issue any Form such as 'C', 'D' etc.

**K. DESPATCH INSTRUCTIONS: It is necessary to provide the Generator along with all required accessories at the given site in Gujarat state within given time on the given date.**

**L. DELIVERY PERIOD: SITC work is to be completed by the bidder according to the date & time given by this office as & when requirement of generator will be informed. **As & when requirement arises a separate order will be issued to contractor/Supplier.****

**M. LATE DELIVERY CHARGES: If the SITC work will be delayed more than specified time, 0.5% of the total amount will be charged.**

**N. PAYMENT TERMS:**

1. Payment will be made, after completion of SITC of work in good condition and submitting the invoice for the same. No advance payment will be made.
2. Payment would be in Indian Rupees by RTGS/NEFT.
3. Payment would be made in the name of company.

**O. ADDITIONAL QUANTITY: Doordarshan Kendra Ahmedabad reserves the right to place order for additional quantity up to 100% of the ordered quantity at the same rates and terms and condition till the validity of Quotation. Same annual contract may be extended for more Six Months if required and work found satisfactory.**

**P. COMPLIANCE TO ANNEXURE -I**

- a) Compliance statement in respect of all the points laid down in this Specification is to be enclosed along with the offer in the format given below.
- b) Compliance statement in the format mentioned below shall only be accepted.
- c) The manufacturer/dealer should also record the performance figures of their equipment offered in the quote for which the compliance statement is enclosed. The figure so mentioned should be supported by record of these in the technical literature enclosed with the tender and reference to the page number of enclosed literature for all features and technical specifications should be mentioned in the compliance Statement. Any deviation from the specification detailed in the compliance statement is to be highlighted separately.

Sl.No Of DD specs	DD specs	Compliance	Performance Fig. of Equipment Offered	Reference to the Page no. enclosed literature	Deviation in Case of non compliance	Optional Items if any required .to make the system compliant to DD specs	Features in the offered product which exceeds DD Specs

**Q. ENCLOSURES:**

The firm must submit the following enclosures along with the tender.

- 1) Financial bid with all quoted items as per annexure I.
- 2) Compliance statement with respect to all the points of the specifications in Annexure-I.
- 3) Signed copy of general terms and condition by the authorized person. Printed terms and conditions of tendering firms will not be considered as forming part of their tender
- 4) Copy of GST certificate & pan
- 5) Any other document mentioned elsewhere in the tender document.

**R. Completeness of the work**

The contractor shall provide all required materials, equipment, ancillary items, etc., to fulfilling the intent and purpose of the contract, whether or not each and every item is mentioned in the specifications and/or drawings. Any short-coming noticed at any stage shall be made good at no extra cost. The tender is liable to be rejected in the absence of the above enclosures with the sole responsibility of the tenderer.
