8.2 If the number of applications are large, the Selection and Empanelment Committee may constitute a sub-committee with the approval of competent authority, to assist the Committee to process the applications and to shortlist the applicants.

8.3 The eligibility of the candidates should be assessed, based on the Assessment Scale indicated in **Annex-3**, especially with regard to qualification, experience, equipment, technical facilities, credibility etc. short listed applicants after preliminary scrutiny should be asked to provide two test coverages- using their own equipment and raw material - for ascertaining the quality of their work.

.....5/-.

13.2 In the case of the first default on account of 13.1 a), b) or c), it should be communicated to the Stringer in writing, so that he/she can improve performance.

13.3 Before removing the Stringer from the Panel, a Show Cause Notice should be sent to the Stringer, asking why he/she should not be removed. The reply should reach the DD Kendra with in 30 days of the issue of the Notice. If the reply is not found satisfactory or is not received, the Stringer would be removed from the Panel. The order of removal of the Stringer from the panel should be communicated to the Stringer, specifying the reasons for removal. The Contract referred to in Para 8.5 should provide for this action.
