Total Consignment (10 Boxes)	Approx. 1100 Kgs	—

3. Logistics and Machinery Deployment

- The selected agency must arrange and bear all expenses for necessary cranes, lifters, trailers, specialized packing material, and labor required at both Rajkot and Bhopal sites.
- The agency is fully responsible for coordinating all transit arrangements, route clearances, and security checkpoints to ensure secure, end-to-end delivery.

4. Bidder Eligibility Criteria

- **Local Preference:** Preference shall be given to registered logistics, transport, or engineering agencies operating out of or having a registered office in **Bhopal or Rajkot** to ensure prompt coordination, quick response time, and seamless execution of the work.

5. Site Inspection

- Bidders are advised to inspect site locations at Rajkot and Bhopal prior to submitting their budgetary quotations to accurately assess layout constraints, clearance heights, loading areas, and foundation structures.

6. Project Timeline

- **Completion Period:** The entire scope of work—including packing, loading, transportation, unloading, and site placement—must be completed within **15 days** from the date of issuance of the formal work order.

7. Insurance, Risk, and Liability

- **Comprehensive Insurance:** The contractor must secure all-risk transit and handling insurance covering the full valuation of the equipment (approx. ₹80 Lakhs) against theft, loss, or damage.
- **Damage Liability:** The executing agency holds single-point financial and legal responsibility for any physical damage caused to the equipment, infrastructure, or personnel during project execution.
