Section-2

Introduction & Project Concept

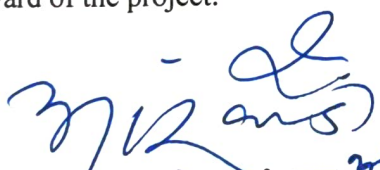

Prasar Bharati, India's Public Service Broadcaster, invites **Expression of Interest (EOI)** and sealed quotations under a **Single-Stage Two-Bid System** from eligible, experienced, and financially sound media agencies/firms for the **design, supply, installation, testing, commissioning (SITC), operation and maintenance of premium outdoor Advertising Unipoles** at identified prime locations within the premises of **Prasar Bharati / Doordarshan Kendra Jalandhar/ HPT Khurla Kingra Jalandhar**.

The project is proposed under a **Public-Private Partnership (PPP) model** with the objective of optimum utilization of available land assets, generation of sustainable non-tax revenue, and enhancement of high-quality outdoor advertising infrastructure in and around Jalandhar. The initiative aims to create aesthetically appealing and professionally managed advertising spaces while ensuring long-term revenue generation for Prasar Bharati.

Under this arrangement, the selected agency shall be responsible for undertaking the entire scope of work, including obtaining all statutory permissions and approvals from the concerned authorities, designing, manufacturing, supply, installation, testing, commissioning, operation, maintenance, insurance, and upkeep of the Unipoles during the contract period.

The selected private partner shall bear **100% of the capital expenditure (CAPEX)** and **operational expenditure (OPEX)** associated with the project, including fabrication, civil works, electrical infrastructure, maintenance, safety compliance, taxes, statutory clearances, and all other incidental costs. Revenue will be shared on yearly basis and 33% of air time in all time band with the AIR/ Doordarshan

The EOI process is intended to assess the interest, technical capability, financial strength, and experience of prospective agencies prior to finalization of the detailed terms and conditions for award of the project.

Comprehensive Scope of Work

Scope of Work

The selected private partner/agency shall be solely responsible for the **Design, Supply, Installation, Testing, Commissioning (SITC), Operation and Maintenance** of Advertisement Unipoles at the designated locations within the premises of Doordarshan Kendra, Jalandhar/ HPT Khurla Kingra Jalandhar. The scope of work shall include, but not be limited to, the following:

1. Site Survey, Design and Fabrication

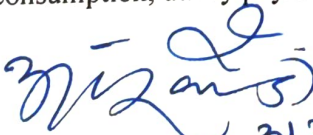

- Conduct detailed site surveys and feasibility assessments of the allotted locations.
- Prepare structural designs, drawings, and technical specifications for installation of Unipoles.
- Fabricate, erect, install, test and commission the structures at its own cost and risk.
- Ensure that all structures are safe, durable, aesthetically designed, and compliant with applicable engineering standards.

2. Statutory Approvals and Permissions

- Obtain, at its own cost, all statutory approvals, permissions, licenses, No Objection Certificates (NOCs), structural stability certificates, fire safety clearances, and any other approvals required from Municipal Authorities, Urban Local Bodies, Electricity Authorities, Police Authorities, or any other Government/Regulatory Agencies.
- Pay all applicable municipal taxes, advertisement taxes, license fees, permit charges, cess, duties, and other statutory levies directly to the concerned authorities.
- Prasar Bharati shall not be liable for any delay, penalty, or legal consequences arising out of non-compliance by the agency.

3. Electrical Infrastructure and Utility Charges

- Arrange and obtain independent commercial electricity connection(s) in the name of the agency/firm wherever required.
- Install all electrical infrastructure, including cables, panels, meters, earthing systems, protection devices, and related accessories.
- Bear all electricity charges, demand charges, utility bills, maintenance costs, and statutory dues throughout the contract period.
- Prasar Bharati shall have no financial or legal liability whatsoever in respect of electricity consumption, utility payments, or disputes with the electricity distribution company.

4. Operation and Maintenance

- Operate and maintain the Unipoles in a fully functional condition throughout the contract period.
- Undertake preventive and corrective maintenance, replacement of defective components, software updates, cleaning, servicing, and upkeep of the installations.
- Ensure uninterrupted display operations, subject to force majeure conditions.
- Maintain the structures in a neat, safe, and visually appealing condition at all times.

5. Compliance with Policies and Regulations

- Strictly comply with the Advertisement Policy of Prasar Bharati, as amended from time to time.
- Adhere to all applicable laws, rules, regulations, guidelines, Government Orders (G.O.s), circulars, notifications, and instructions issued by Central Government, State Government, Local Authorities, and Prasar Bharati.
- Display only those advertisements that are permissible under the prevailing policies and laws.

6. Safety, Security and Asset Protection

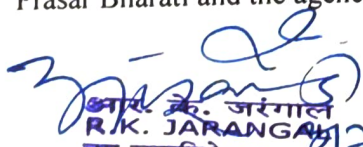

- Ensure structural stability and maintain all necessary safety standards relating to civil, electrical, and mechanical components.
- Install adequate safety devices, lightning protection systems, earthing arrangements, and fire safety measures wherever required.
- Be solely responsible for safeguarding the installations against theft, vandalism, accidental damage, weather-related impacts, unauthorized display material, posters, banners, or any other encroachments.
- Prasar Bharati shall not be responsible for any loss, damage, theft, deterioration, or third-party claims arising from the installation or operation of the advertising structures.

7. Insurance and Indemnity

- Obtain and maintain comprehensive insurance coverage for the installed structures, equipment, manpower, and third-party liabilities during the entire contract period.
- Indemnify and keep Prasar Bharati harmless against any claims, losses, damages, penalties, legal proceedings, or liabilities arising out of the agency's acts, omissions, negligence, or non-compliance with statutory provisions.

8. Transfer of Assets

- Upon expiry of the lease/licensing period of **five (05) years**, or such extended period as may be mutually agreed upon (up to an additional five years), the complete LED Board/Unipole structure, including supporting infrastructure installed at site, shall be transferred to Prasar Bharati in good working condition and free from all encumbrances, without any additional cost or compensation.
- The transfer shall be subject to a joint inspection and certification by representatives of Prasar Bharati and the agency
