Section-2

Introduction & Project Concept

Prasar Bharati, India's Public Service Broadcaster, invites Expression of Interest (EOI) and sealed quotations under a single-stage, two-bid system from competent and interested media agencies for developing, operating, and maintaining premium high-quality outdoor LED Board/unipole advertisement structures at identified prime land sites belonging to Akashvani Kendra, 7/9-Dayanand Marg, Prayagraj-211001 and Medium Wave Akashvani Transmitter, Andawa, Prayagraj.

The project is structured under a Public-Private Partnership (PPP) model designed to effectively utilize available land assets, maximize commercial revenue, and significantly enhance aesthetic and professional outdoor media standards in Prayagraj. The selected private partner will bear 100% of the capital investment, fabrication, statutory approval, and operational expenses, and will share guaranteed annual rental revenues along with a dedicated airtime allocation with Prasar Bharati.

Section-3

Comprehensive Scope of Work

The designated private partner/agency shall be comprehensively responsible for the Supply, Installation, Testing, Commissioning (SITC), Operation, and Maintenance of the advertising hoardings. The meticulous breakdown of the scope includes:

- **Site Survey & Fabrication:** Conduct detailed site surveys, feasibility assessments, design structural frameworks, and fabricate/erect stable structures at their own cost. All structures must strictly respect the maximum size threshold of 30x30 sq. feet.
- **Statutory Approvals & Permissions:** Solely obtain all necessary licenses, NOCs, and structural approvals from local municipal authorities or government agencies. The agency must pay all applicable municipal tax fees directly.
- **Electrical Connections:** Secure independent commercial electricity connections in the name of the firm/agency. The agency is exclusively liable to clear all power bills directly with the utility provider. Prasar Bharati holds zero responsibility for utility payment defaults.
- **Compliance with Policies:** Adhere fully to the Advertisement Policy of Prasar Bharati as amended from time to time, as well as any administrative orders, circulars, notifications, and Government Orders (G.O.) issued sequentially.
- **Site Protection & Safety:** Maintain robust electrical and mechanical safety of the LED/Unipole systems to guarantee smooth display operations. Prasar Bharati is explicitly not responsible for theft, vandalism, accidental damage, or political posters overlapping the structures. Asset protection is the primary duty of the allottee.
- **Handover of Assets:** Upon successful completion of the extended lease framework (5 years + optional 5 years' mutual extension), the physical ownership rights of the entire LED Monopole structure shall automatically be transferred to Prasar Bharati at zero cost.

Section-4

Designated Display Locations

The advertisement structures must be installed strictly inside the designated premises boundaries of Akashvani, Prayagraj, optimizing high visibility from adjacent arterial roads. The approved sites are:

1. Front Gate Left and Right of Akashvani Prayagraj, 7/9, Dayanand Marg, Prayagraj – 211001.
2. Front Gate Left and Right of Medium Wave Akashvani Transmitter, Sarai Inayat, Katka Andawa, Varanasi Road, Prayagraj.
