PRASAR BHARATI – AN OVERVIEW

A. INTRODUCTION:

Prasar Bharati, India's Public Service Broadcaster, was established under the Prasar Bharati Act, 1990, and came into existence on 23rd November 1997. Its mandate is to organize and conduct public broadcasting services in the country -- to inform, educate and entertain, and to ensure balanced development of broadcasting on radio and television. Over the years it has worked tirelessly to fulfil its statutory mandate as enshrined in the Prasar Bharati Act.

Akashvani (All India Radio – the radio network) and Doordarshan (the Television network) are its constituents. Prasar Bharati also operates DD Freedish, the only free Direct to Home service which is the largest distributed DTH platform in India. Prasar Bharati also reaches out to its audiences through digital platforms and operates the NewsOnAir App as well as Prasar Bharati News Service which are its digital services in tandem with its nationwide and multilingual Broadcast Services.

Doordarshan and All India Radio have played a catalytic role in the development of the nation. The contributions made by radio and television in almost every sphere -- agriculture, industrial growth, education, health care, immunization, emancipation of women, strengthening of grassroots governance and democratization process -- are well recognized. The broadcast networks safeguard citizens' rights to be informed freely and objectively on matters of Public interest, national and international, and facilitate a fair and balanced flow of information including divergent views without promoting any ideology. The organization strives to uphold the unity and integrity of the country and the values enshrined in the Constitution.

Focused attention is given to cultural diversity and languages, rural development, environment, family welfare and science and technology. Programmes for special needs of the youth, status and problems of women, social justice, welfare of working classes, minorities and tribal communities, protecting the interest of children and vulnerable sections of society, are broadcast. Content is also live streamed and can be accessed anywhere through the mobile app NEWSONAIR.

Prasar Bharati Channels occupy a position of credibility and trust in a highly commercialized electronic media environment in the country, and ethical norms and guidelines framed by Prasar Bharati provide a bench-mark for the industry.

B. OBJECTIVES:

The following are major objectives of Prasar Bharati set out in the Prasar Bharati Act, 1990:

- i) To uphold the unity, integrity of the country and the values enshrined in the Constitution.
- ii) To promote national integration.
- iii) To safeguard the citizen's right to be informed on all matters of public interest and presenting a fair and balanced flow of information.
- iv) To pay special attention to the fields of education and spread of literacy, agriculture, rural development, environment, health & family welfare and science & technology.
- v) To create the awareness about women's issues and to take special steps to protect the interests of the children, the aged and other vulnerable sections of the society.
- vi) To provide adequate coverage to the diverse cultures, sports & games and the youth affairs.
- vii) To promote social justice, safeguarding the rights of working classes, minorities and tribal communities.
- viii) To promote research and expand the broadcasting facilities and development in the broadcasting technologies.

C. THE PRASAR BHARATI BOARD:

Prasar Bharati is governed by the Prasar Bharati Board. The Board is headed by a Chairperson, and has three Whole-time Members -- the Executive Member (Chief Executive Officer), Member (Finance) and Member (Personnel). The Board has six part-time Members, a representative of the Ministry of Information & Broadcasting and the Directors General of All India Radio and Doordarshan as ex-officio Members.

The tenure of the Chairperson is three years subject to the maximum age limit of 70 years, whichever is earlier. The Executive Member has a tenure of five years, subject to an age-limit of sixty- five years, the Member (Finance) and the Member (Personnel) have a six year tenure, subject to the age limit of 62 years, whichever is earlier. - Technical Collaboration with IIT Kanpur for setting up a Centre of Excellence for collaborative research and development with the industry on 5G mobile Broadband and Broadcast technology

D. THE ORGANISATIONAL SETUP:

The Prasar Bharati Board functions at the apex level ensuring general superintendence, direction and management of the affairs of the Corporation. The Board is assisted by a Secretariat consisting of officers from Programme, Technical, Finance and Administration.

The Executive Member is the Chief Executive Officer (CEO) of Prasar Bharati. Officers from different streams in the Prasar Bharati Secretariat assist the CEO, Member (Finance) and Member (Personnel) in overseeing operations, implementation of plans and policies, as well as management of budget, accounts and financial matters.

The All India Radio (AIR) Directorate and the Doordarshan (DD) Directorate are each headed by a Director General. The News Wings of All India Radio and Doordarshan are each headed by a Director General, News.

Directors General AIR and Doordarshan are assisted by Additional Director General (ADG) level officers from Programme, Finance and Administration in respective Directorates. On the Engineering side, the Director General is assisted by Engineering-in-Chief (E-in-C). At the field level Programme, Engineering and Administration functions are supervised by respective Zonal offices.

Field level Programme setup of AIR is divided into Regions and each is headed by an ADG level officer. The Headquarters of the Regional ADGs are situated at Kolkata (Eastern Region-I and II), Mumbai (Western Region-I & II), Lucknow (Central Region-I), Bhopal (Central Region-II), Guwahati (North Eastern Region), Chennai (South Region-I), Bangalore (South Region-II), Delhi (North Region-I) and Jalandhar (North Region-II).

Field level Programme setup of Doordarshan is divided into 6 Zones and each is headed by an ADG level officer. The Headquarter of Zonal ADGs are situated at Kolkata (East Zone), Mumbai (West Zone), Delhi (North and Central Zones), Bangalore (South Zone) and Guwahati (North-East Zone).

Field level Engineering setup is divided into 5 Zones. Each Zone has three setups; one for AIR Maintenance (Akashvani Maintenance-AVM), second for Doordarshan Maintenance (TV Maintenance- TVM), and third is for handling projects (common for AIR and Doordarshan). Generally, each Zone has three ADG level officers, one each

handling AVM, TVM & Projects. However, in case of South Zone, there are two ADG level officers; one for AVM & TVM and another for Projects, and North-East Zone has only one ADG level officer handling all three setups.

Field level Administration setup is divided into 15 Zones and is manned by Administration cadre officers/ staff. This Zonal setup is basically under the administrative control of AIR.

Prasar Bharati has a Vigilance set-up at the headquarters headed by a Chief Vigilance Officer.

Commercial Sales and Billing of All India Radio is handled by the Central Sales Unit (CSU) at Mumbai along with 15 main Commercial Broadcasting Service (CBS) Centers (renamed Sales Centres- SCs) across the Country. The Commercial Revenue Division (CRD) (renamed Public Outreach Service -POS) in Delhi manages Government business. Corporate Sales in Doordarshan are handled by Commercial Revenue Divisions (CRDs) (renamed Sales Divisions-SDs) located in Mumbai, New Delhi, Kolkata and Bengaluru. Centralised Billing is done by the Doordarshan Commercial Service (DCS) in Delhi.

The National Academy of Broadcasting & Multimedia (NABM) with its main campus at Kingsway Camp, Delhi is Prasar Bharati's training facility. It has regional campuses at Bhubaneswar and Shillong. The Academy's Programme Division is responsible for in-service training of Programme and Administrative personnel. The Technical Division organizes Training Courses for the engineering staff. The NABM also conducts departmental, qualifying and other competitive examinations.

The Archives, Research Department, Civil Construction Wing (CCW) and AIR Resources are common facilities for AIR and Doordarshan.

E. REFORMS AND STRATEGIES:

i. Fundamental shifts with Digital Platforms:

- Figures testify that with increased digital availability of rights-free content, digital is gradually overtaking linear viewership. (515Cr+ Watch Time, 110Cr+ Views, 85+ YouTube Channels, 6Mn+ Subscribers). Digital is now an additional source of revenue.

ii. New Life to Linear Radio with Digital Readiness:

Digital access to radio channels through the Newsonair Mobile App has given a boost to listenership. There are:

- 500,000 active devices of Newsonair app.
- 2Mn downloads.
- 225+ live streams make live radio across India accessible digitally through a single interface.

- On-Demand Podcast are extending the shelf life of radio programs. There are 500+ news bulletins & 600 hrs+ news podcast weekly in 40+ languages.

iii. **Prasar Bharati Digital Service:**

- PBNS (Prasar Bharati News Service) launched as a digital news service to counter fake news in real time.

iv. **Harnessing Human Creativity for Greater Good:**

- Radio Commentary visually enhanced for digital -- World cup cricket commentary made accessible through sign language for the first time. -
- Score updates accessible in real time through 'newsonair' app in 'text-to-speech' feature
- Some high impact radio content is enriched with visuals for enhanced reach.

v. **Language Amplification for Universal Reach:**

- Language translations of content of National importance -- regularly producing content in 18 foreign languages, 50 Indian languages & dialects

vi. **Convergence with 5G Broadcasting:**

- Aiming to operate in an IT enabled & fully automated atmosphere, PB is - partnering with IIT Kanpur for creating a centre of Excellence for 5G Broadcasting, Direct to Mobile and other areas of research in the field of Broadcasting.

vii. **Monetisation of Assets**

- Preserving Culture & diversity by promoting Archival content.

F. IT Initiatives:

The following initiatives were undertaken

PB Cloud: All the applications and websites have been migrated to the cloud.

G. IMPORTANT ACTIVITIES AND ACHIEVEMENTS:

- Prasar Bharati plans to adopt new and emerging technologies like digital terrestrial broadcasting (5G, DRM/ HD-Radio), Artificial Intelligence etc. Prasar Bharati is also partnering with premier institutions of eminence like IIT Kanpur for R&D in these emerging areas, and engaging with Indian start-ups in line with the goal of an Atma Nirbhar Bharat.
- Content Innovation is a major area of thrust and has seen synergy across radio and television, language amplification to address the wide diversity, and creating value from the rich archives. While focusing on its primary mission of public service broadcasting, popular content in new and innovative formats produced in collaboration with best in the industry has given a new fillip and boost to the entertainment fare on the networks. The international footprint of DD India-- the international channel of Doordarshan-- has also grown in the last one year making it popular among the large Indian diaspora spread across the globe.
- DD Free Dish which is a free to air (FTA) DTH service has been recently augmented. Its present bouquet contains 161 SD TV channels, 48 radio channels, 38 DD channels, 2 Parliamentary channels, 51 co-branded educational channels, 2 foreign public broadcasting channels and 65 private C&S GEC, movie, news and music channels. Currently available in 38 million households, it is the largest DTH platform in the country.
- Both AIR and Doordarshan are repositories of priceless archival collections of music, plays, serials etc besides content of historical importance which have been completely digitized and have been made available online.
- With 470 broadcasting centres of All India Radio and 66 Doordarshan Kendras spread across the length and breadth of the country, Prasar Bharati offers one of the most effective communication platforms for developmental outreach and commercial messaging.

CHAPTER -III

CAPACITY BUILDING –TRAINING INFRASTRUCTURE

1. INTRODUCTION :

The National Academy of Broadcasting and Multimedia (NABM), Delhi is the premier training academy of Prasar Bharati. It is responsible for training of in-service programme, engineering and administrative personnel working at various stations and offices of All India Radio and Doordarshan. The prime objective of the Academy is to develop & nurture the broadcast professionals for their optimum performance in the dynamic ever challenging Broadcasting environment. Over time, NABM has emerged as the leading institution to impart training in the field of radio and television production, post-production and broadcasting for broadcasters in the Asia-Pacific region.

The NABM has modern infrastructure to impart world class training keeping pace with technological changes. Class rooms are equipped with latest audio/ visual facilities, Radio & TV studios with latest production and post-production equipment, measurement lab, computer lab, networking lab, Radio & TV transmitters. It has a library with collection of over 11000 books. The academy has excellent hostel facilities with 125 rooms.

2. HISTORY:

The Training facility was established as an attached office of DG:AIR, New Delhi in 1948. NABM (Technical) erstwhile STI(T), part of the AIR Directorate since 1985, now functions at Kingsway Camp, Delhi. It organizes Training Courses for the engineering staff of All India Radio and Doordarshan from the level of Technicians to the Additional Director General. It also conducts the departmental, qualifying and the competitive examinations. NABM (Technical) has a campus at Bhubaneswar and a Regional Academy of Broadcasting & Multimedia at Shillong and Mumbai (Malad) also.

NABM(Programme), erstwhile STI(P), shifted to the present location at Radio Colony, Kingsway Camp, Delhi as subordinate office of DG:AIR on 1st January 1990. It is responsible for training of in-service Programme and Administrative personnel working at various stations and offices of All India Radio and Doordarshan. Subsequently, six Regional Training Institutes namely, NABM Bhubaneswar & Regional Academy of Broadcasting & Multimedia (RABMs) at Ahmedabad, Hyderabad, Lucknow, Shillong and Thiruvananthapuram came into existence in different zones covering the entire country with a mandate to impart training to the staff of AIR & Doordarshan.

In 2019 the Regional Academies located at Ahmedabad, Hyderabad, Lucknow, Thiruvananthapuram, and Mumbai (Malad) including DTI, Lucknow have been closed down as part of rationalization measures undertaken by Prasar Bharati. .

Three academies working at present i.e., NABM, Delhi; NABM, Bhubaneswar; and RABM, Shillong train over 3500 engineering/ programme/ administrative personnel every year. The NABM collaborates with Asia Pacific Institute for Broadcasting Development (AIBD) and Asia Pacific Broadcasting Union (ABU) to organize trainings/ workshops for the radio and television engineering personnel of various countries in Asia Pacific region. CHAPTER IV

COMMON FACILITIES FOR AIR AND DOORDARSHAN

A. PRASAR BHARATI ARCHIVES:

Archival activities started as a Transcription Service on 3rd April, 1954 with the main function of preparing transcripts of speeches of all dignitaries with special reference to the Presidents & Prime Ministers of India. The unit also processed vinyl disc labeled "AIR-TS records" for preservation of recordings for future broadcast. The Service was renamed "Transcription & Programme Exchange Service" from 1st April, 1959 and the office was placed under the independent charge of a Director. As the processed records eventually proved to be uneconomical, the processing work was closed down in June 1967 and new modes of preservation like analogue magnetic tapes etc. came into use. Though archiving was happening in the network, setting of the transcription service converted it to an organized activity.

The erstwhile separate Archival setups in AIR and Doordarshan have been merged and called Prasar Bharati Archives.

Details of activities are as follows:

i. AIR Archival Activities:

Episode No	Title	Duration	Date Of Broadcast & Time	Synopsis	You Tube Link
1	Katar Main Akhri Vyakti	0:27:58	28/ 05/ 2019 2:30 P.M	The Indian rulers chosen by British were dummy rulers, who were not working for welfare of Indians. They worked for benefit of British Companies and forcefully administered the Pro- British policies to oppress people. Gandhi Ji then asked people to go for a people friendly administration which shall work for poor and oppressed.	https://youtu.be/TXTLbmYhgzo
2	Samay Ki Keemat	0:28:35	26/ 06/ 2019 2:30 P.M	In Indian struggle to the fighters often became depressed while facing the might of British Empire. Gandhi guided them to keep up their spirits and to continue with their struggle for a better future for the next generation.	https://youtu.be/Mc48KiHVuMg
3	Satyagrah	0:29:09	31/ 07/ 2019 2:30 P.M	British made a peaceful entry in India but with selfish interests started enclaving India. To face the mighty British Empire, Gandhi Ji chose to talk to them through peaceful, non-violent, requests to correct the wrongs being done to Indians.	https://www.youtube.com/watch?v=kiUe9VRdJeM

4	Swavlamban Aur Swadeshi	0:26:04	28/ 08/ 2019 2:30 P.M	<p>When Industrialization started in Britain, they made India a market for their finished goods.</p> <p>These goods were sold to Indians at many times the cost. So India was becoming poorer. To counter this destructive policy, Gandhi asked people to be self-dependent. To shun foreign goods and go for Indian goods. To make their own Schools, Hospitals and Panchayats and to shun the British Schools and Courts.</p>	https:// www.youtube.com/ watch?v=tN4GJwpqc Pw
5	Swachhta	0:28:24	Sept 2019 2:30 P.M	<p>The enslaved Indians had very poor living conditions. Majority were illiterate and poor. They had poor hygiene, no hospitals and no education. Gandhi Ji wished for developed and Hygienic Villages, healthy and literate Villagers. So he began the drive to educate people about healthy living.</p>	https:// www.youtube.com/ watch?v=HSJQiji4CU Y
6	Akshardeh	0:28:53	Oct. 2019 2:30 P.M	<p>British also faced the challenge of communicating with Indians.</p> <p>For Gandhi Ji also it was a big challenge to create awareness about ways to rid the society of its ills. So Gandhi Ji communicated with people through his letters, articles and speeches. His words were the thread which brought people to his way of thinking.</p>	https:// www.youtube.com/ watch?v=imBA3ULJ eA

II. Reservation for Persons with Disabilities (PwDs):

The Constitution of India ensures equality, freedom, justice and dignity of all individuals and implicitly mandates an inclusive society for all including the persons with disabilities. The Government of India enacted "The Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995", in an effort to ensure equal opportunities for persons with disabilities and their full participation in nation building. The PwD Act has come into force in 1996. Subsequently Government of India had passed "The Rights of Persons with Disabilities Act, 2016" which came into force from 19th April 2017 and related instruction related to reservation was issued by Department of Personnel and Training vide O.M. dated 15.01.2018. With the enactment of Act, reservation for persons with disabilities was made applicable in identified Group A, B and C posts also in case of direct recruitment.

As regards promotions, reservation is available when promotions are made from Group 'D' (erstwhile) to Group 'C' and within Group 'C' identified posts.

Prasar Bharati has taken all requisite measures for implementation of reservation for PwDs, all relevant policy decisions and instructions issued by DoPT from time to time are being followed.

Prasar Bharati broadcasts programmes on Persons with Disabilities through the various channels spread across the country. In these programmes, apart from the schemes of Welfare programmes relating to their health, social and cultural concerns are also included. The content of programmes is so designed that it not only helps them to get benefits of welfare schemes of the Government but also encourages them to live with dignity. The programmes are crucial from the point of view of

social awareness and also useful in changing the callous attitude of society towards Persons with Disabilities.

Although there is no specific Budget Head in Directorate for the benefit of Persons with disabilities. Activities like making of ramp, special toilets, preferably on ground floor are undertaken from 'Minor Works' Budget Head of CCW, AIR.

E. PUBLIC GRIEVANCE AND REDRESSAL MECHANISM:

Grievance Redressal and Access Mechanism have been functioning in accordance with the guidelines of Department of Administrative Reforms & Public Grievance and monitored through the Centralized Public Grievances Redressal and Monitoring System (**CPGRAMS**). All the public grievances and pension redressal petitions are being attended to promptly and disposed of without delay. Further, monthly status reports on disposal of Grievances are being submitted to the Ministry of Information and Broadcasting. The ATRs/ replies sent to the petitioners are being uploaded online on DARPG Portal.

ALL INDIA RADIO

A. INTRODUCTION:

All India Radio (AIR) aims to provide information, education and entertainment, for promoting the welfare and happiness of the people (Bahujana Hitaya Bahujana Sukhaya).

The phenomenal growth achieved by All India Radio over the past eight decades has made it one of the largest radio networks in the world. It has 482 stations and 652 transmitters. To meet the communication needs of our multicultural society, the network expanded adopting new technologies and programme production techniques.

To realise its objectives AIR has evolved over the years, a three-tier system of broadcasting namely National, Regional, and Local. AIR Stations provide news, music and spoken word programmes to almost the entire population of the country. Its vast reach especially in the rural and tribal areas make it the primary and sometimes the only source of information and entertainment.

The National Service largely on the Medium Wave and also on Short Wave is the first-tier broadcasting (The regional and Sub- regional stations provide the second tier of broadcasting with area-specific programmes in the regional languages and dialects. FM Channels cater to the needs of the people and to the youth. The Vividh Bharati also on FM is AIR's Entertainment Service. 86 Local radio stations on FM cater to the needs and tastes of audiences of small towns in various parts of the country and form the third-tier. All India Radio has also set-up Community Radio Service at five places in the North Eastern Region as the voice of the local tribal population.

B. ORGANIZATIONAL STRUCTURE:

All India Radio is headed by a Director General assisted by Additional Directors General (ADGs) Programme, Administration, Finance and an Engineer-in-Chief. News Wing is headed by a Director General (News).

Directorate General, All India Radio, is responsible for policy formulation, planning and development, infrastructure and technology upgradation, budgetary planning and control, human resource management; overseeing operations and maintenance activities, etc.

Programming in All India Radio has been divided into Programming Zones at Delhi (Northern Region-I&II), Mumbai (Western Region-I&II), Bengaluru (Southern Region-I&II), Lucknow (Central Region-I), Bhopal (Central Region-II), Kolkata (Eastern Region-I & II) and Guwahati (North Eastern Region). Each Zone is headed by an ADG level officer reporting to the Directorate.

Engineering in All India Radio is divided into five Zones located at Delhi (North Zone), Kolkata (East Zone), Mumbai (West Zone), Guwahati (North-East Zone) and Chennai (South Zone) for project and maintenance engineering activities. Each of these Zones is headed by ADG level officer reporting to the Engineering-in-Chief.

C. SERVICES AND CHANNELS :

i. Regional Channels:

Regional (Primary) Channels of AIR are located in the state capitals and in major linguistic-cultural regions of every state. 132 such channels are spread over 28 states and 9 Union territories (UTs). The Regional Channels put out infotainment programmes in languages and dialects of the region with the objective of enriching the lives of their listeners. They broadcast largely on the Medium Wave frequency and follow a composite programming mix. They promote art and culture with an emphasis on Indian classical music. Around 40 percent of the total broadcast comprises music, which includes Classical music, light folk and film music. News and current affairs constitute 20 to 30 percent of the broadcast time. Radio plays , health & family welfare programmes, programmes for women and children, farm and home programmes are some other spoken word programmes.

ii. Local Radio Stations (LRS):

At present, 92 Local Radio Stations (86 are on FM) are located across the country. These stations cater to the local populace providing utility services and reaching out to the community. What distinguishes Local Radio from the regional network is its down-to-earth approach. The programmes of the local radio are area-specific. They are flexible and spontaneous enough to enable the station to function as the mouthpiece of the local community.

iii. Community Radio Stations (CRS):

Community radio centres were set up at 5 places in the North Eastern Region to serve the local tribal population.

1.	Mon	1 kW MW	1584 kHz
2.	Tuensang	1 kW MW	1602 kHz
3.	Nongstoin	1 kW MW	1485 kHz
4.	Williamnagar	1 kW MW	1602 kHz
5.	Saiha	1 kW MW	1602 kHz

iv. FM Rainbow:

FM Rainbow channel of All India Radio was launched at a time when radio listening was declining especially in big cities. FM radio provided the necessary fillip ensuring noise-free high-quality music. Informal presentation on FM suited the changing tastes of listeners catching the pulse of the youth who were hooked to the 24X7 broadcast. The old glory of radio was being restored once again.

At present AIR has 501 FM transmitters across the country covering 54% of the area and 64% of the population of the country. FM Rainbow is available at 23 cities - Delhi, Mumbai, Chennai, Kolkata, Bengaluru, Lucknow, Panaji, Jalandhar, Kanpur, Kochi, Puducherry, Shillong, Chandigarh, Cuttack, Kodaikanal, Tiruchirapalli, Coimbatore, Hyderabad, Vishakhapatnam, Raibareilly, Madurai, Triunelvali and Vijayawada. Delhi Rainbow is relayed fully from Mussoorie, Aligarh, and partially from Dharamshala and Bhatinda. The FM fare includes Pop music, Film songs, and Classical & Devotional music, News Headlines, etc.

v. FM Gold:

FM Gold channel came on air on 1st September 2001 at Delhi as a niche infotainment channel with 30% News and Current affairs and 70% entertainment programming. At present, FM Gold is available daily round the clock in Delhi, Mumbai, Kolkata, & Chennai and Ludhiana. The Channel brings information updates on Traffic, Airlines, Railways, Weather, etc.

vi. Direct to Home (DTH)Service:

DTH Radio is a 24-hour Satellite Service available through the DTH platform of Prasar Bharati with up-linking facilities at Todapur, Delhi. It covers the entire country as well as neighbouring countries. The DTH Service makes different language channels available across the country. Its digital quality provides a pleasurable listening experience.

vii. Vividh Bharati(VB):

Vividh Bharati Service is a 24 hours service available through satellite transmission for relay from various radio stations across the country. VB is produced and uplinked from Mumbai. This service is primarily relayed from 41 CBS-VB centres (17 hours). Vividh Bharati Service is also relayed by 65 Local Radio Stations and 100-Watt FM transmitters located across the country.

viii. Live Streaming:

Around 242 channels including AIR live News 24x7, FM Rainbow, FM Gold, Vividh Bharati services, Classical music channel Raagam etc. can be

accessed through internet on the Prasar Bharati website "prasarbharati.gov.in" as well as through the app "newsonair" on iOS and Android based mobile phones. The channel details are placed at **Annexures II & III.**

ix. External Services:

External Services Division (ESD) of All India Radio ranks high among the external radio networks of the world both in its reach and range. The External Services broadcasts in 28 languages - 15 Foreign and 13 Indian, reaching out to about 150 countries terrestrially through shortwave and medium wave. It has a global footprint through live streaming on 27 web portals and mobile apps. The languages in which AIR reaches its foreign audience are Arabic, Baluchi, Burmese, Chinese, Dari, English (GOS), French, Indonesian, Persian, Pushtu, Russian, Sinhala, Swahili, Thai and Tibetan given at **Annexure I.** The Indian language services targeted for the neighbourhood and also the Indian Diaspora are Bangla, Gujarati, Hindi, Kannada, Malayalam, Nepali, Punjabi, Sindhi, Saraiki, Tamil, Telugu, Odia and Urdu.

D. NEW INITIATIVES DURING THE YEAR:

i. Engineering:

All India Radio is one of the largest broadcasting networks in the world. At the time of independence there were six Radio Stations and 18 Transmitters (6 MW & 12 SW) which covered 11% population and 2.5% area of the country.

By 31st March, 2020, AIR network has grown to 482 station and 652 transmitters (129 MW, 22 SW & 501 FM) providing coverage to 99.20% of the population spread over 92.00% area of the country. This includes 232 100 W FM transmitters installed for localized coverage of about 8-10 km radius. New Initiatives in the year are as follows:

- | | | |
|----|--|------------|
| a. | New FM Transmitters with Limited production facility | : 2 Places |
| b. | 10 kW FM Transmitters | : 6 Nos. |

e. Kisanvani Impact Assessment and Capacity Building Workshops

Farm and Home Unit, DG: AIR successfully conducted two 'Impact Assessment and Capacity Building' workshops for the Kisanvani Programme Producers in collaboration with the Ministry of Agriculture and Farmers Welfare, during FY: 2019-20. Besides representatives of Ministry of Agriculture & Farmers' Welfare and Directorate General, All India Radio, the workshops were attended by regional subject matter/ agro industry experts, agriculture scientists, agro meteorologists from IMD, State agriculture department/ district administration officials, NIC scientists, I.T. Experts, Progressive Farmers etc.

Kisanvani Impact Assessment and Capacity Building Workshop at Imphal

Key take-aways of the workshops are summed up as under:

- Farmers capacity building initiatives needed to be vigorously undertaken in close coordination with SAUs, KVKs, SHGs, NGOs, State authorities and public service media organisations like AIR.
- Greater emphasis needed to be given to effective implementation of ground level projects for climate resilient agriculture. Farming community in drought prone areas require extensive dry land agriculture support interventions and those in high density rainfall areas, particularly the North East regions endowed with abundant rainfall and rich biodiversity, need to be equipped with adequate infrastructure support for rain water harvesting systems.
- Skill development of farmers specially women workforce in the fields may substantially help in doubling farmers income along with creating value addition and tapping export potential of agriculture commodities and horticulture produce.
- Strengthening Agribusinesses and Agritech Startup ecosystem on a larger scale as public private partnership will enable farmers adopt innovative sustainable agricultural practices, minimise productivity losses, bank on assured supply chain mechanisms, remunerative prices and stem the migration of youth from the agriculture sector.
- Better synergy amongst key stakeholders viz. SAUs, respective State Agriculture Departments, NGOs and public service media organisations like All India Radio.

f. Radio Kisan Diwas

All India Radio observes 15th February as Radio Kisan Diwas over its Kisanvani broadcasting stations by mounting special programmes on the occasion. Progressive farmers, who are benefited by the information disseminated through the Kisanvani programmes share their experiences with fellow farmers in the special invited audience programme on the day.

f. Talks and Current Affairs Unit

The Talks and Current Affairs (TCA) Unit has been assigned to broadcast analytical news based programmes on various topics. The idea is to help listeners understand major new developments, put things in perspective and deal with a subject in detail.

Various topics were discussed extensively in the daily and weekly programmes viz., Samayiki, Spotlight/ News Analysis, Public Speak, Money Talk, Vaad Samvaad, Charcha Ka Vishay Hai, Country wide, Surkhiyon Mein and Current Affairs programmes.

Important programmes broadcast during the current financial year include discussion programmes on General Elections, 2019, Scrapping of Article 370 in Jammu Kashmir, Triple Talaq, and Supreme Court verdict on Ayodhya, Balakot Air strike, Quit India Movement, 150th anniversary of Mahatma Gandhi and covid19 containment to name a few.

Government initiatives and achievements in various sectors like Jammu Kashmir and North East, National Nutrition Mission, Ayushman Bharat, Farmers' welfare, interviews with Union Ministers, International Day of Yoga and Swachh Bharat Abhiyan were covered.

Unit's special focus is on programmes based on Beti Bachao Beti Padhao, and Women safety. Elaborate live discussion programmes on Sardar Patel's contribution to unite India. Programmes on Prime Minister's visit to several other countries were mounted.

Important Government schemes were given due coverage through discussion programmes. Discussions were mounted on Prime Minister's monthly broadcast to the nation 'Mann Ki Baat'. Special programmes on Issues before Parliament in English and 'Sansad Ke Samaksh Mudde' in Hindi were also broadcast before commencement of Monsoon session of Parliament.

g. Reference and PP&D

Reference and Policy, Planning & Development (PP&D) Unit provides prior information about various activities/ programmes of the government and political parties on daily basis to various units of NSD. The unit deals with preparation of Actions Plans and Action taken reports, compilation of various reports, which includes monthly Cabinet Summaries and progress report on the programmes broadcast from NSD to disseminate the achievements, schemes and messages of the government and ATN's in respect of monthly activities as per Swachhta calendar. The unit also deals with scrutiny of applications for the Akashwani Annual Awards.

h. Library

NSD also maintains a library which has 21,807 books/ reference books in English, Hindi, Urdu and other languages. Out of the total collection, it has about 861 books on mass media and broadcasting. The Library subscribes to about 27 newspapers and 75 magazines. It is using the software E-Granthalaya developed by NIC to maintain a repository of books.

G. COMMERCIAL WING:

The Commercial Revenue Division (CRD) (now renamed as Public Outreach Service - POS). Public Outreach Service (POS) has the responsibility of earning Revenue on PAN India basis. It is a single window for advertisers to promote their products. The Revenue target given to POS for Financial Year 2019-20 is INR 375 Crores (net).

POS realised a revenue of INR 146.0 Crore till 31st March, 2020. This year approximately INR 20 crores has been earned from private clients.

In the current financial year POS has taken up work of Programme Production as well as spot production. "Twenty six Episodes of sponsored programme 'Swachhata Selfie', were produced by All India Radio Delhi for Ministry of Housing and Urban Affairs earning production charges to the tune of INR 15 Lakh. 'Kisan Vani' and 'Vigyan Prasar' are prominent programmes procured by POS and produced by AIR stations.

Total Revenue till date	:	Rs. 145.90 Cr.
Government Clients	:	Rs. 125.79 Cr.
Pvt. Clients	:	Rs. 20.11 Cr

H. EXTERNAL SERVICES DIVISION:

Radio plays a critical role as an instrument of Foreign Policy and Public Diplomacy. Nations attach great importance to international broadcasting as a means of projecting their image and point of view to the world.

As part of British India, All India Radio entered the domain of external broadcast on 1st October, 1939 purely as a tool for propaganda for the Allies during the World War II. The first broadcast of All India Radio for the external audience was made in Pushto language to counter the German Radio *blitzkrieg* in the then North West Frontier Province (NWFP) to supplement the efforts by the BBC in this part of the world. After India attained independence, ESD had to assume a new role as the voice of an emerging nation, a tool for diplomacy and also an effective communication medium.

External Services of All India Radio connects the large Indian Diaspora with their country of origin and its culture and heritage giving them a feel of home away from home. AIR, through its external broadcasts aims to keep the overseas listeners in touch with the ethos of India, India's point of view on different issues, strides made by India in different fields including Science and Technology, India's democratic and secular traditions, its vibrant art, culture, economy, business and trade opportunities available in India, projecting India as an education, health care and tourist destination, India's commitment to universal declaration of human rights etc.

The languages in which AIR reaches its foreign audience are English, French, Russian, Swahili, Arabic, Persian, Tibetan, Chinese, Thai, Burmese, and Bhasha Indonesia. The services in Urdu, Punjabi, Sindhi, Saraiki, Sinhala, Bangla and Nepali are meant for listeners in the Indian sub-continent and immediate neighbourhood. The programme menu of ESD services are of composite nature which generally include: news bulletins, commentaries on current events and review of the Indian press. It also includes informative talks, interviews, documentaries, features, Indian music of all genres, radio plays etc.

Besides Newsreel, Magazine Programmes on sports and literature, talks and discussions on social economic, political historical, scientific and cultural subjects, features on developmental activities, important events and institutions, classical, folk and modern music of India's diverse regions, form a major part of total programme output.

The dominant theme of all programmes in External Services Division is to present the reality of India as a strong secular, democratic, republic which is vibrant, forward looking and engaged in the task of rapid economic, industrial and technological

progress. The reality of India's large technical manpower and its achievements and ecological balance are put across in easy and simple parlance.

Similarly, India's faith in non-violence, its commitment to universal human rights and international peace and its contribution to the creation of a new world economic order are frequently discussed.

I. AUDIENCE RESEARCH WING:

With the changing mass communication scenario, Audience Research has occupied the centre stage. World over almost all the big media organizations have been doing in-house audience research or 'Market Research' in marketing parlance, as no media organization can afford to put their scarce resources at stake without knowing the potential audience (consumers) and market for their media content. Besides they are also subscribing to syndicated research done by the various media and market research organizations. The secret behind the success of private TV and Radio channels lies in their capability to feel the pulse of audience through continuous audience research and to design and modify the programme content including presentation accordingly.

All India Radio has been the pioneer in this field. It has a wide network of Audience Research Units across the country operational since 1946. It provides feedback to programme producers to plan, design, and modify programmes according to the needs, tastes, and aspiration of the target audience. Programme ratings/ listenership data are provided to sponsors, advertisers, and marketers to fulfill their commercial objectives. Audience Research Unit also functions as data bank and reference section for the organization.

During the year 2019-20 from 1st April to 31st March, 2020, the following audience research activities/ studies were carried out:

- a) Impact Assessment Study on the publicity campaign in the LWE affected area (Phase-VI) at 7 stations during June,2019
- b) Quick Telephonic Feedback Survey on Cricket Commentary on ICC Cricket World Cup-2019 at 24 stations during June,2019
- c) Compilation of Annual Report of Prasar Bharati-2018-19 in May, 2019.
- d) Analysis of IRS-2017 data during June-July, 2019
- e) Monitoring of AIR FM Rainbow Channel vs. top two private FM Channels in Delhi during July-August, 2019.
- f) India Annual Reference-2020 (Compiled inputs related to AIR) during September,2019
- g) Quick Telephonic Feedback Survey on Cricket Commentary on ongoing India vs. West Indies T-20 ODI Series-2019 on 12th December, 2019 at AIR Imphal.

- h) Feed Back Study on Bhutanese Programme Broadcast from AIR Kurseong in January- February, 2020
- i) Compilation of material related to AIR for the Annual Report of Ministry of Information and Broadcasting-2019-20 (upto 31st December, 2019).

DOORDARSHAN

A. INTRODUCTION

Doordarshan – literally, a glimpse from afar – is the face of India’s metamorphosis from a modest experiment in public service telecasting that began on September 15, 1959 to a global leader in digital communications. The experiment became a regular service in 1965, when Doordarshan began beaming signals to homes in and around the country’s capital, New Delhi. By 1972 services were extended to Mumbai and Amritsar and by 1975, to seven more cities. All this time it was part of the AllIndia Radio. On April 1, 1976, it transited to become a separate Department in the Ministry of Information and Broadcasting, and later came under Prasar Bharati.

B. ORGANIZATIONAL STRUCTURE

Doordarshan is headed by a Director General who is assisted by Additional Director Generals in Programme, Administration and Finance Wings; and an Engineer-in-Chief in the Engineering Wing. News Wing is headed by a Director General (News).

Director General, Doordarshan, is responsible for policy formulation, planning and development, infrastructure and technology upgradation, budgetary planning and control, human resource management; overseeing operations and maintenance activities, etc.

The six programming zones of Doordarshan at Delhi (North Zone), Mumbai (West Zone), Chennai (South Zone), Lucknow (Central Zone), Kolkata (East Zone) and Guwahati (North East Zone) report to the Director General. Four Engineering Zonal Offices headed by individual Additional Director General (Engg.) are located at Delhi, Mumbai, Kolkata and Chennai for project and maintenance activities in the North-Eastern states.

C. PRESENT TECHNICAL INFRASTRUCTURE

Doordarshan has a vast network of 66 studio centres. These studio centres across the country cater to in-house programme production. These include 17 major Studio centres at state capitals, and 49 other Studio centres located at various places in the country. Doordarshan has 635 terrestrial transmitters of varying power and provides free-to-air DTH service.

State-wise list of Studio centres is given at **Annexure-XIII**.

State-wise no. of transmitters is given at **Annexure XIV**.

For satellite communication, Doordarshan has adopted DVB-S and DVB-S2 standards with MPEG-2 and MPEG-4 compression technologies. Doordarshan is presently operating 34 Satellite channels. Details are given at **Annexure XVI**.

Major Technological Upgradations

Out of the 66 Studio Centres, 62 have been made fully digital. The remaining 4 Studio Centres are Analog. Growth of DD network over the years is shown below:

Growth of Doordarshan Kendras

E. Free-to-air DTH "DD Free Dish"

Doordarshan launched its free-to-air DTH service "DD Free Dish" (Earlier DD Direct+) in December, 2004 with a bouquet of 33 TV channels. Capacity of DTH Platform was subsequently augmented to 59 TV channels. DTH signals can be received anywhere in the country (except Andaman & Nicobar Islands) with the help of small sized dish receive units. For A&N Islands, DTH service in C-band with a bouquet of 10 channels was started with effect from September, 2009. Upgradation of Doordarshan's DTH Platform "DD Free Dish" from 59 to 104 channels was completed in Dec, 2014. The capacity of DTH platform has been further increased to 112 SDTV Channels.

DD Free Dish Platform has been using MPEG-2 DVB-S & MPEG-4 DVB-S2 Technology. Further upgradation of DD's DTH platform to 120 TV channels is under implementation as part of approved 3-Years (2017-20) Extension Scheme.

Brief details of DD Free Dish channels as on 31.03.2020 are given at Annexure-XVII.

F. High Definition TV (HDTV)

Migration to HDTV started with a pilot project in 2007 with the provision of Electronic Field Production (EFP) Van and HDTV ENG Camcorders and Edit Suite at Delhi. The HD EFP van was used extensively during Commonwealth Games, 2010.

During 11th Plan Multi-camera HD studio production facilities have been set up and Multi-camera mobile facility for outdoor production equipped with 10 HD Cameras provided at Delhi & Mumbai. ENG-based field production, post-production and preview facilities have been provided at four Metro cities besides setting up of a playout facility at Delhi. Multi-camera mobile facilities equipped with eight HD Cameras for outdoor production have also been provided at Chennai and Kolkata.

As a part of 12th Plan schemes a Multi Camera Studio Production facility in HDTV format has been setup at CPC, New Delhi. HDTV Uplinking facility is available at DDK, Delhi. Tenders have been received and processed for setting up of HDTV Studio facilities at Chennai & Kolkata.

Two HD Channels i.e. DD National HD & DD News HD are available on DD DTH Platform.

As part of the 3 Year (2017-20) Extension Scheme of Doordarshan upgradation of Studio centre at DDK Delhi, DD News & CPC Delhi for migration of all 7 Channels originating from Delhi, from SD to HD, is under implementation.

Rules and policies in this regard are framed and reviewed from time to time in the changing market scenario. For online billing Broadcasting Automated Scheduler (BATS) was introduced in place of manual billing for clients. A new Registration and Accreditation Policy has been implemented. Net Revenue earned (excluding GST& commission) by Doordarshan during FY 2019-20 is Rs. 983.05 crore.

(ii) Development Communication Division (DCD)

Keeping in view the communication needs of Government Deptts./ Ministries/ PSUs, Development Communication Division (DCD) was established in March, 2001 to function as a single window for Sales and for Government sponsored programmes' production. It offers turn-key solutions covering all aspects of media planning, programme production, scheduling and impact evaluation. Development Communication Division provides a single window facility for:

- Marketing of Doordarshan airtime and production
- Consultancy and customized media planning
- Production of programmes countrywide, and also in regional languages
- Feedback and research surveys to the clients

Campaigns telecast during 2019-20:

- Various campaigns of Ministry of Health and Family Welfare i.e. Anti-tobacco, Chikungunya, Dengue, Immunization and Breast feeding, Yoga, Swachhta and tourism promotion campaigns of Ministry of Tourism and campaigns on Income Tax of Ministry of Finance.
- Jago Grahak Jago' of Ministry of Consumer Affairs .
- A special campaign on "POSHAN" was launched in partnership with Ministry of Women and Child Development.
- A flagship programme 'Rag Rag Mein Ganga' (21 episodes) for NMCG was successfully produced and telecast by DCD.
- AQuiz programme Saksham 2020 for PCRA is being produced by DDK Delhi, Mumbai, Bangalore & Kolkata in co-ordination with DCD .
- Ayurveda Day campaigns were produced and telecast.
- Special coverage for 30 days along the Ganges was done for Rafting Expedition for National Mission for Clean Ganga.

(iii) Media Publicity Division (MPD)

Media Publicity Division of Doordarshan Directorate is a dynamic unit which undertakes Media and Publicity activities. All forms of communication, advertising, outdoor publicity, Press Release, Booklets, Press Conferences etc. are undertaken for publicizing the activities and programmes of Doordarshan.

Activities during the period:

- The souvenir gallery was successfully launched on Amazon on 13th May, 2019 thus Doordarshan became the first broadcaster to make its presence on e-platform. The launch function was held at India Habitat Centre, New Delhi.
- Designing of trophies and certificates with frames for 12th Doordarshan Annual Awards.
- Publicity and PR work for 60th Anniversary of Doordarshan including the release of "Customized My Stamps" after due procedural steps taken up with Department of Post. Various collaterals including DD brochures, badges and standees were designed for the event.
- Various advertisements were executed including DD, Film advt., DTH, appointment, Tender/ Notice, Independence Day & Republic Day advt. etc.
- All the creatives outside DD premises were changed.
- Exhibition stall was put up displaying DD Souvenir items, Standees of DD India, DD Free Dish and News on Air at Indian Habitat Centre from 6th to 8th November, 2019. The pamphlets of News on Air were also printed.
- Exhibition stall was put up at Chhatarpur Mandir, New Delhi on "Sanskrit Vishav Sammelan" from 9th to 11th November, 2019 displaying and selling DD Souvenir

items. Standees of DD India, DD Free Dish and News on Air were also displayed.

- Display of Postage stamp at CII Big Picture Summit 2019.

K. AUDIENCE RESEARCH

Audience Research Unit of Doordarshan with its 19 field units located with Doordarshan Kendras all over the country is involved in Research studies on various aspects of broadcasting since 1976. During the period, Audience Research Unit contribution is as follow:

Analysis and reporting of BARC Television Viewership Report on weekly basis. Preparation of annual report of Prasar Bharati: 2018-19 and Ministry of I&B: 2019-20.

SCHEDULES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED
31.03.2019**

**SCHEDULE 27- NOTES ON ACCOUNTS & CONTINGENT LIABILITIES
NOTES ON ACCOUNTS**

- 1 Prasar Bharati Broadcasting Corporation of India is established as general public utility institution and fall under the category of "Not-for-Profit Organization". Accordingly, based on Generally accepted accounting practices, and Section 145 of Income Tax Act, it can follow either cash or mercantile system of accounting. Considering the organization structure and prevalent past practices and the simplicity aspects, cash basis of accounting was being adopted upto 31.03.2005. From 01.04.2005 the accounts are initially compiled on cash basis at field unit level and subsequently converted into accrual basis to the extent possible, based on the information collected from both the Directorates. Prasar Bharati Board however, decided to give effect to complete switch over from cash to accrual accounting at field unit also. In this direction intially Prasar Bharati has implemented web based application called Expenditure Monitoring System (EMS) for submitting R&P Account by all field units w.e.f. 01.04.2016. Now, Prasar Bharati is in the process of implementing Centralised Accounting Application across its all field units.
- 2 Contingent Liabilities:
 - 2.1 Claims against the Entity not acknowledged as debts Rs. Nil
 - 2.2 In respect of :
 - *Service Tax Rs. 14.29 crore
 - *Late fee and interest on Spectrum & Space Segment Charges Rs. 974.24crore
 - *Bank Guarantee encashed for CWG-2010 Activity Rs. 24.60 crore

Bank Guarantee of Rs. 24.60 crore of M/ s SIS Live was invoked and the matter is under arbitration. M/ s SIS live submitted their claims for Rs. 106.88 crore as per contract, Rs. 24.60 crore towards BG and for damages GBP 9381,098. Out of that, an amount of Rs. 106.88 crore has been included in the liabilities. However, Damages claimed by M/ s SIS Live are not acknowledged as liability as the Corporation has also lodged a counter claim of Rs. 147.60 crore.
- 3 The amount of Fixed Assets transferred at book value to Prasar Bharati by the Central Government is based on Chief Controller of Accounts' letter No. CCA/ I&B/ 2002 dated 3.09.02 and is also subject to physical verification and valuation.
- 4 As the assets are generally disposed-of after completion of its useful life, sale proceed received from disposal of these assets is considered as profit on sale of fixed assets. The value of the assets sold/ disposed of during the year has not been removed from the Gross Block of Assets as the details are not readily available at Prasar Bharati Secretariat level.

- 5 Grants received from Central Government are treated as Income, which together with internal revenue is utilized to meet expenses.
- 6 Without prejudice to rights, Prasar Bharati had paid an amount of Rs.178,71,63,705/ - to Service Tax Deptt. during the year 2011-12, in response to their demand vide order No.16/ RDN/ 2011 dt. 05.05.2011. However, as per Management assessment no amount was payable. In the Order dated 05.03.2018, CESTAT has completely waived off the penalty and instructed Service Tax Department to reassess the service tax liability for that year. Since the Service tax department has not yet reassessed the service tax liability and the whole amount was already charged off in 2011-12, hence the same will be again reflected in the Accounts after the final outcome of the case.
- 7 Interest rate on Capital Loan received from Government during 01.04.2000 to 31.03.2006 is 14.5% p.a., during 1.4.2006 to 31.03.2011 is 11.5% p.a. and from 1.4.2011 onwards is 13.5% p.a.
- 8 Liability towards interest on Loan from MIB have been provided as per the interest rates mentioned at note -7 above.
- 9 Ministry of I&B Vide letter dt. 04.06.2018 has considered and in principle approved the conversion of outstanding loan into Grants-in-aid pertaining to the period 2010-11 to 2012-13 and complete waiver of interest and penal interest on the above outstanding loan. The details of loan, interest & penal interest thereon as on 31.03.2019 are as follows:

Principal Amount	-	Rs. 9,33,38,70,000
Interest	-	Rs. 7,99,69,98,000
Penal Interest	-	<u>Rs. 78,07,29,060</u>
Total	-	<u>Rs. 18,11,15,97,060</u>

- 10 The age-wise break-up of Sundry debtors for the financial year 2018-19 is as under:

	2018-19	2017-18
Sundry Debtors-Less than 6 months Rs.	740,626,088	404,228,972
